

## NAPgA Country Store: How it Works

North American Packgoat Association is seeking donations and catalogs for their annual Country Store and Auction to raise funds for protecting the interests of goatpackers nationwide. This auction/sale is a large part of our funding every year so please be generous with your donations. NAPgA needs you! Items need not be goat related. Anything can make money for us.

Items donated will be priced and placed in the Country Store. The store will be open around dinner time on Thursday and items will be available for immediate purchase. More items will be added as they arrive.

On Friday and Saturday open times will be posted at the tent. The store will be open till end of dinner on Saturday, then the remaining items will be auctioned off to the highest bidder along with some special items.

If you have items to donate please send them to:

CAROLYN EDDY  
35003 SE HORSESHOE DRIVE  
EAGLE CREEK, OR 97022

or bring them to the rendezvous and drop them by the Store tent.

NAPgA appreciates your continued support.
